Dear Members,

Join us for an insightful event co-organized by ALJB and LVPA, focusing on the critical intersection between regulatory frameworks and practical applications regarding the valuation function of Alternative Investment Fund Managers (AIFMs) and Depositaries.

Covering selected topics, our experts will focus on legal implications and best practices in valuation, discussing practical challenges that AIFMs and Depositaries may face.

Don't miss this opportunity to engage with industry leaders and enhance your understanding of valuation in today's regulatory environment.
